## CARROPONTE TABLE

\$8,400

### DESCRIPTION

This elegant table is inspired by two main elements: air and land. The strength of the iron structure is reminiscent of the legs of a crane. Vitality is expressed by the Briccola oak wood top that incorporates lines like that of the wings of an airplane. The iron structure not only forms its base, but it is the true "skeleton" of the table.

### DETAILS & DIMENSIONS

- Material: Briccola oak wood, Iron
- Dimensions (in): 118.11 x 35.43 x 29.53
- Dimensions (cm): 300 x 90 x 75
