LIGHTING : SCONCES & WALL LAMPS

*Bronzetto*

**CARRUBO BRASS SCONCE**

\$1,200

## DESCRIPTION

This vintage-styled sconce marries handcrafted artistry with modern appeal, in a unique design forged entirely of brass. The wall-mounted backplate encloses the light source that diffuses the illumination upwards, bouncing off the four vibrant golden carob beans dangling from burnished branches. A statement piece as a standalone or in pairs flanking a mirror, this sconce will surely brighten up any interior with its naturalistic look.
