## CARTESIA FREESTANDING BOOKCASE

\$5,730

### DESCRIPTION

Designed by Franco Poli exclusively for Morelato, this unique bookcase is part of the Cartesia collection, composed of perfect objects suitable for any décor. This freestanding bookcase can be attached to any wall and displays objects and books on both sides, making it a very versatile piece. The combination of walnut and maple make the two colors complement each other for a warm addition to a living room or entryway.
