Paola Paronetto

CARTOCCI ANTIQUE PINK DECORATIVE BOTTLE

\$295

DESCRIPTION

Elegantly shaped like a bottle with irregular silhouette and a paper-like surface, this superb bottle has a delicate pink hue that gives it a dream-like allure. This piece is crafted by hand using a complex method, creating each time a unique work of art. This sculptural piece can be displayed alone or combined with others in different colors to create a rare allure. Every one of Paola Paronetto's creations is unique. Slight variations in shape, colour and size are to be considered a guarantee of authenticity and value. They are finished with non-toxic satin-finish enamels. Although very rarely, it is possible for them to leak after long periods of exposure to water. It is therefore advisable to test their water resistance before using them on delicate surfaces. They should not be used as dining utensils. The white pieces can be washed with water or sanitizing products, whereas the coloured pieces must be treated more gently and cleaned with a feather duster or a soft cloth, dry or moistened very slightly with water.
