Paola Paronetto

CARTOCCI BLACK DECORATIVE BOTTLE

\$580

DESCRIPTION

Part of the Cartocci Collection, this abstract-inspired bottle features a black finish and an intricate texture with long vertical ridges along the slim cylindrical body and alternating vertical-horizontal ridges on the tapered neck. Ceramicist Paola Paronetto's creations in paper clay draw inspiration from everyday objects, the bottle's unique and distinctive texture derived from the special mix of clay and natural fibers, adding a light and delicate appearance.
