Paola Paronetto

CARTOCCI CORTECCIA SURPRISE WHITE AND GOLD VASE

\$485

DESCRIPTION

The result of passionate and masterful craftsmanship by Paola Paronetto, this stunning piece of functional decor boasts a modern design that will add bold sophistication to any corner of the home. Its rectangular silhouette is handcrafted of white paper clay and an innovative material that mixes fibers with clay to create an irregular and unique texture. Every one of Paola Paronetto's creations is unique. Slight variations in shape, colour and size are to be considered a guarantee of authenticity and value. They are finished with non-toxic satin-finish enamels. Although very rarely, it is possible for them to leak after long periods of exposure to water. It is therefore advisable to test their water resistance before using them on delicate surfaces. They should not be used as dining utensils. The white pieces can be washed with water or sanitizing products, whereas the coloured pieces must be treated more gently and cleaned with a feather duster or a soft cloth, dry or moistened very slightly with water.
