Paola Paronetto

CARTOCCI LISCIA LIGHT BLUE DECORATIVE BOTTLE

\$845

DESCRIPTION

Captivating and modern, this decorative piece has a sculptural quality and intriguing texture that will make it a focal point in any interior. Ceramicist Paola Paronetto transforms the familiar shape of an everyday object through paper clay, a clay-base enriched with natural fibers, resulting in a smooth, paper-like surface with a crumpled, uneven appearance. An ethereal light blue color and matte finish complete this refined piece that will blend elegantly in any décor. Every one of Paola Paronetto's creations is unique. Slight variations in shape, colour and size are to be considered a guarantee of authenticity and value. They are finished with non-toxic satin-finish enamels. Although very rarely, it is possible for them to leak after long periods of exposure to water. It is therefore advisable to test their water resistance before using them on delicate surfaces. They should not be used as dining utensils. The white pieces can be washed with water or sanitizing products, whereas the coloured pieces must be treated more gently and cleaned with a feather duster or a soft cloth, dry or moistened very slightly with water.
