Paola Paronetto

CARTOCCI LISCIA WHITE DECORATIVE BOTTLE WITH GOLD RECTANGLE

\$730

DESCRIPTION

Elegant and unique, this decorative bottle is part of the exclusive Cartocci Collection by renowned Italian ceramist Paola Paronetto. The unique texture of this handcrafted sculpture comes from paper clay, obtained by adding paper pulp and fiber to the ceramic mixture, giving it a tactile quality. A yellow gold rectangle stands out at the center of the bottle to highlight its bright white finish. This splendid piece will be best showcased with others from the same collection for a contemporary look. Every one of Paola Paronetto's creations is unique. Slight variations in shape, colour and size are to be considered a guarantee of authenticity and value. They are finished with non-toxic satin-finish enamels. Although very rarely, it is possible for them to leak after long periods of exposure to water. It is therefore advisable to test their water resistance before using them on delicate surfaces. They should not be used as dining utensils. The white pieces can be washed with water or sanitizing products, whereas the coloured pieces must be treated more gently and cleaned with a feather duster or a soft

cloth, dry or moistened very slightly with water.
