CARTOCCI MAUVE DECORATIVE BOTTLE

\$665

DESCRIPTION

With its delicate mauve color and unique surface, this vase will add a bold statement to any décor. Handcrafted of paper clay using a long and complex process to achieve its distinctive crumpled texture, this contemporary sculpture features a classic bottle shape with a slender body and tapered, asymmetric neck. The unique ridges on its surface, vertical on the body and vertical-horizontal on the faceted neck, add a dynamic quality making this eye-catching piece a visual favorite on a console or on a side table.
