CARYLLON COFFEE TABLE

\$5,670

DESCRIPTION

This elegant coffee table is a modern interpretation of Viennese traditional steam-bent beechwood techniques . Made with a square cross section rather than the classic round one, the elements that comprise the base and the mounting of the top add a contrasting accent to the curves and round silhouette of the piece, all boasting a powder pink lacquer. The top, shaped like a stylized four-leaf clover, is covered in wood arranged in elegant inlays in vivid green color. Other finishes are also available, please ask the Concierge for options and pricing.
