CARYLLON LOW TABLE

\$6,070

DESCRIPTION

Part of the Caryllon collection designed by Cristina Celestino in 2018, this coffee table boasts a wooden structure with a modern square section, a striking contrast with the round and sinuous lines of the base and top. The standout feature of this stunning piece is its top, adorned with a sophisticated, handcrafted inlay method that uses strips of straw to create a motif inspired by the Viennese straw. The rich blue color is inspired by the opulent Art Deco style.
