## CASSETTA WALL LAMP

\$7,690

### DESCRIPTION

A playful and sophisticated piece that evokes the coziness of home, this wall lamp is called Little House in Italian and will make an elegant statement in a modern home. The base is in oak with smooth dark-bronze handles. The body of the piece, shaped like the silhouette of four different buildings one next to the other, is in alabaster, whose pale glow diffuses the LED light shining inside. This piece can be combined with the Casetta Table Lamp for a cohesive look.
