## CASILDA GRAY ARMCHAIR WITH WHITE FRAME

\$4,020

### DESCRIPTION

Merging industrial elements with minimalist style, this stunning armchair conveys a strong personality that will infuse a distinctive character in any interior. Framed in an open structure made of white-finished stainless steel, the large cushions of seat and back are supported by polyester belts and feature removable covers in an elegant light grey fabric. The armrests are accented with a rectangular detail of iroko wood. With its elegant silhouette, this armchair makes a sophisticated addition to a patio, veranda, or pool as all materials are weather resistant and designed for outdoor use.
