### CASQUETS DINNER PLATE N. 5

\$110

#### DESCRIPTION

This exquisite porcelain plate was introduced at Maison&Objet 2019 in Paris, along with the others part of the Casquets Collection. Each different design reproduces the detail of an antique print with the Casquets lighthouse as its main subject. Here, the imposing majesty of the building is the background of a tumultuous sea and frightened sailors. This superb scene is framed by a series of black and white triangles all around the rim, with four accents in gold and a matching gold edge. A unique addition to a refined table, this plate can be combined with the others in the same series.
