CATENE NERO SET OF 2 ESPRESSO CUPS AND SAUCERS BY GIO PONTI

\$330

DESCRIPTION

Defining quintessential Italian lifestyle, this sophisticated set of espresso cup (cc 80) and saucer (D 11 cm) is a stunning addition to an elegant home, where it can be combined with the other coffee sets for a complete look. Both made of porcelain, the two pieces are part of the Catene collection, designed by iconic master Gio Ponti in 1926, when he was creative director of the brand. The white of the porcelain is given a striking chain-like decorative pattern in black, which splendidly contrasts with the gold rim that marks its edges and the cup handle.
