GINORI 1735

CATENE NERO SET OF GRAVY BOAT AND SPOON BY GIO PONTI

\$340

DESCRIPTION

Part of the Catene collection designed by legendary master Gio Ponti for Richard Ginori in 1926, this elegant set of gravy boat (cc 300) and spoon will be an exquisite addition to an elegant family dinner, especially if combined with other creations from the same tableware series for a cohesive effect. Both crafted of porcelain, these pieces boast traditional elements, in the curves and curls highlighted with gold accents, combined with a modern decoration shaped like a chain in black that defines the series and creates a modern and elegant pattern.
