GINORI 1735

CATENE NERO TUREEN WITH LID BY GIO PONTI

\$965

DESCRIPTION

A superb addition to an elegant dinner, this tureen with a lid will make a statement thanks to its harmonious combination of traditional elements and modern decorations. This stunning porcelain masterpiece is part of the Catene collection with a black decoration, created in 1926 by legendary designer Gio Ponti. The white background of the bowl and lid is adorned with accents in gold, while a timeless and sleek geometric decoration runs around the exterior of the tureen, evoking the shape of a chain. It can be combined with the others in the same series for a magnificent effect. The capacity is 4 liters.
