## CATENE SCARLATTO OVAL PLATTER BY GIO PONTI

\$295

### DESCRIPTION

This stunning oval platter is part of the Catene collection, a series of sophisticated tableware items designed in 1926 by then artistic director of Richard Ginori, legendary Gio Ponti. This series is made up of porcelain pieces whose white background is adorned with a series of geometric patterns evoking the links of a chain, rendered in different colors. In this case, the repetitive design is painted in a striking scarlet-red hue that adds a dramatic accent to this serving plate and elegantly complements the gold details around its circumference.
