## CATENE SCARLATTO SET OF 6 SOUP PLATES BY GIO PONTI

\$750

### DESCRIPTION

Part of the Catene collection, designed by the creative genius of Gio Ponti in 1926, when he was creative director of the brand, this elegant set of six soup plates is a superb complement to a refined home, where it can be combined with the others in the same series for a cohesive look. Entirely crafted of porcelain, each piece boasts a white background with a gold accent running around the perimeter. The decoration, true to its name (which means chains in Italian) is a series of linked rectangles colored a bright red hue.
