CATENE SMERALDO CANDLE WITH LID BY GIO PONTI

\$250

DESCRIPTION

This exquisite 10-ounce candle is part of the Catene Collection, a design created by master artist Gio Ponti in 1926, when he was creative director of the brand. The elegant chain-like motif is here painted in an emerald green that enlivens the white background of the container. Both cylindrical container and triangular lid are crafted of porcelain and can be combined together with others in the same series with different colors for a dynamic and refined effect.
