CATENE ZAFFIRO BOWL BY GIO PONTI

\$450

DESCRIPTION

Part of the Catene collection, this elegant porcelain bowl is a superb addition to a modern and elegant home, especially when combined with the other tableware items in the same series for a cohesive effect and a magnificent look on a dining table. The color of this piece is "zaffiro" (sapphire in English), a refined and cool hue that is found both inside and out, with a repetitive motif of rectangles linked together to create minimalist chains. A gold rim marks the top and the bottom of the plinth base for a luxurious final effect.
