CATENE ZAFFIRO SET OF 2 TEA CUPS WITH SAUCER BY GIO PONTI

\$360

DESCRIPTION

Part of the Catene collection, this elegant porcelain set of 220 cc tea cup and D 13.5 cm saucer is elegant and timeless, a stunning addition for any occasion. The name of the design, which means chains in English and was created by iconic designer Gio Ponti in 1926, comprises different series in which the repetitive geometric pattern has different colors. In this case, the sapphire blue of the large links around the cup and the small links on the rim of the saucer adds a sleek accent that is complemented by the gold band on the rims and around the cup's handle.
