CATERINA GREEN BAULETTO BAG

\$1,190

DESCRIPTION

This stylish bauletto bag boasts a modern minimalist silhouette and traditional design aesthetic. Inspired by its namesake, Queen Caterina Cornaro, this bag is distinguished for its deft use of simple forms and lines to create an alluring silhouette. Fashioned of green-lighting beige velvet fabric from Goteborg collection, this bag has a boxy silhouette that elegantly contrasts with the geometric and modernist pattern. Worn on a night out or for weekend lunch with friends, this everyday accessory will infuse any outfit with timeless elegance.
