CAULIFLOWER FRUIT BOWL BY NATHALIE DU PASQUIER - MEMPHIS MILANO

\$680

DESCRIPTION

This striking fruit bowl exudes playful elegance. It was designed in 1985 by the pattern designer of the Memphis group, Nathalie Du Pasquier, and crafted of ceramic. The internal surface of the bowl and the four small handles are painted black, while the white exterior is adorned with a colorful band with asymmetrical patterns in yellow and pink with black details. This piece will make a superb centerpiece on a modern dining table or an eye-catching display container for collectibles on a contemporary coffee table.
