Bottega Del Monaco

CAVALLO DI TROIA SCULPTURE

\$660

DESCRIPTION

This elegant sculpture finds its inspiration in the early Hellenistic image of the Greek culture and captures the poised elegance of a horse in ceramic. The sinuous shape of the legs adds a dynamic quality to this modern piece that celebrates the eternal intrigue and allure of the horse. Crafted by hand and finished in a stunning rust color, this piece will make a captivating statement with its graceful, minimalist appearance.
