CAVEA CHAIR

\$1,080

DESCRIPTION

This elegant and minimalist chair will make a striking addition to any room, both in a classic or more modern environment, thanks to its exquisite craftsmanship and its linear design. It was designed by the architect Carlo Chiappi and it can be made in two contrasting colors, like in this case, using maple wood and pear wood to highlight the vertical elements over the horizontal ones. It can also be done entirely in American dark walnut, cherry wood, durmast oak wood or durmast with a wenge finish.
