CAVOLO SOUP TERRINE

\$12,880

DESCRIPTION

This sumptuous soup terrine is made entirely in silver in the shape of a cabbage, rendered in all its vivid detail. Masterful craftsmanship and a classic style make this piece a timeless object of functional decor that will instantly enrich any dinner party. The surface of base and body of the piece, including its small lid, are engraved to mimic the texture of the cabbage, while the interior was given a strikingly complementing golden finish.
