CAXUS MARBLE DINING TABLE

\$9,840

DESCRIPTION

A stunning object of functional decor, this elegant dining table combines the traditional strength of marble with a modular structure that shows outstanding lightness. A superb addition to a modern dining room or large entryway, the white marble top rests on an octagonal base made of layers of black marble from which stems a multi-faceted Green Guatemala pedestal leg. Dynamic and sophisticated, this piece can be crafted of different precious stones and other materials. Please ask the Concierge for options and pricing.
