CAXUS MARBLE LARGE COFFEE TABLE

\$11,520

DESCRIPTION

Boasting the natural strength and sophistication of marble, this coffee table can be used to make a statement in a modern or eclectic interior, either alone or combined with other pieces in the Caxus limited series. This piece features a round base and top, connected by a modular stem crafted of Green Guatemala marble. Base and top can be crafted of other marble types or other materials, please consult the Concierge for options and pricing.
