CAXUS MARBLE SIDE TABLE

\$8,280

DESCRIPTION

Part of the limited series Caxus, this side table is ideal next to an armchair or sofa in an eclectic or modern living room. Either alone, as single statement piece, or combined with other items in the same collection, this table is a striking object of functional decor. Its top and bottom are half-circular elements combining alternating wedges of black and white stone connected with a stunning modular stem in Green Guatemala marble. Other materials can be used, please ask the Concierge.
