CELTIC DRAGONS MEDIUM SIDE TABLE

\$2,520

DESCRIPTION

Part of a series of versatile side tables that can be used anywhere in the house, either alone or combined with others by the same designer, this object of functional decor is a unique addition to any home. Its base is comprised of three legs supporting a central element upon which the squared top rests. The wood is accented at the top with metal elements that depict a series of dragons and is decorated with a dragon-inspired pattern.
