### CEM2 CARPET BY CHUNG EUN MO

\$3,430

#### DESCRIPTION

Part of the Post Design collection and crafted in a limited series of 36 pieces, this carpet was completely hand made. Each step in the preparation of the wool and its knotting with cotton fibers was executed by expert Nepalese artisans in a factory where the finest Tibetan wool is used to guarantee a resistant carpet rich in lanolin, thanks to the healthy animals who graze at very high altitudes. Each one-of-a-kind carpet is signed by Chung Eun Mo, the designer.
