CESTINI BOWL #1 BY ANDREA BRANZI

\$780

DESCRIPTION

Playful and exquisite, this brass cutout bowl is part of the three-piece Cestini collection designed by Andrea Branzi and introduced at Milan Design Week 2018. Versatile and elegant, this bowl can be used as a centerpiece to hold fruit on a dining table or as a refined basket to enclose a vase. The dance of stylized silhouettes holding hands is intended as an eternal circle and sacred ritual that evokes ancient tribal traditions reinterpreted in a contemporary fashion. Either alone, or combined with the other pieces of the series, this will be a stylish addition to a modern home.
