## CHALCEDONY AND WHITE GOLD OCTAGONAL CUFFLINKS

\$1,490

### DESCRIPTION

This stunning pair of cufflinks was handcrafted by expert artisans and boasts toggle and face in identical octagonal shapes. A post and mounting in 18-carat white gold is the structure of this refined set that features chalcedony stones (22.05 carats in total), highlighted at the center with striking blue sapphires (0.75 carats in total). A precious addition to a personal collection, these pieces can make also an exquisite gift.
