CHAMELEA TALL BEIGE VASE

\$170

DESCRIPTION

Either used as a unique structural sculpture or displayed with floral compositions, this ceramic vase with a beige finish will add a delicate decorative touch to a modern home, especially ideal to complement an interior decorated with neutral tones. This piece was designed by Chiara Andreotti and is part of the Chamelea collection. It can be displayed alone with its white, dark-brown, and brown versions for a stunning and sophisticated piece.
