CHAMPAGNE SPHÉRADES TAUPE SMALL ROUND BOX

\$1,555

---

## DESCRIPTION

This superb box with lid can be a purely decorative accent with others from the same Champagne Sphérades Collection designed by Stéphane Parmentier or used as a treasure box to store cherished trinkets and precious jewelry on a dresser or side table. Wrapped in soft taupe suede, the lid is adorned with a cluster of golden spheres, an homage to Etienne-Louis Boullée's architecture and the surrealist sculptures of Pol Bury, that infuses a glamorous and distinctive aesthetic to the piece.
