CHANDRA 2-TIER TABLE

\$30,740

DESCRIPTION

This sculptural teak table with two elliptical crystal surfaces (1 cm thick) is a stylish tribute to the iconic one-off sailboat designed by German Frers. The slender, captivating silhouette stands on stainless steel feet and is built on an arched frame veneered with precious teak batons. Precious details of Iroko wood complete this outstanding piece of functional decor, which is a spot-on choice to complement elegant, nautical-inspired interiors.
