CHARLIE BLACK SIDE TABLE

\$1,670

DESCRIPTION

Part of the Charlie series, this table can be customized to become a bistrot table, a side table, or a lounge table. Either alone or paired to other pieces from the same series, this table will be a striking addition to any living room or entryway. This particular piece features a single central leg stemming from a round base and supporting a round top made in precious lava stone from the Etna Volcano and etched with fan-shaped decorations.
