CHARLOTTE CONSOLE

\$6,370

DESCRIPTION

Stunning from all sides, this sculptural console boasts a unique design that can be showcased as a statement piece at the center of a large room or loft space to create visual and spatial division. The 7 cm-thick rectangular top of glossy Macassar ebony veneered wood stands on an intriguing, chromed metal base composed of two squares intersected by a rectangle. An elegant surface for displaying bold decorative objects, the linear silhouette of this captivating console reveals an impeccable construction that results from masterful craftsmanship and an innovative aesthetic.
