### CHERRY TREE WHITE PANEL

\$2,690

---

#### DESCRIPTION

This stunning wall decoration is part of a series depicting cherry flowers blooming on fine branches in five variations with different striking colors. In this case, the ivory background is adorned with pale blue and blue blossoms for a delicate effect. This wall covering in silk and cotton is available as boiserie (a vertical panel measuring 135 x H 200 cm over a wood honeycomb structure), and as fabric. The fabric is available in sheets measuring 140 x H 200 cm. Please consult the Concierge for options and details.
