CHERUB WITH DOG BLUE OVAL BOWL - LIMITED EDITION BY GIO PONTI

\$6,660

DESCRIPTION

This stunning bowl is part of La Conversazione Classica collection, which in Italian translates with Classical Conversation, designed by brilliant artist Gio Ponti. Effortlessly combining various elements taken from classical and Neo Classical art, the subjects of this series create a universe in which multi-colored backgrounds are enlivened with dream-like scenes. On this oval bowl, the deep blue background is adorned with a cherub playing with a dog. Pompeian influences and Renaissance inspirations are clearly visible in this superb work of art.
