Marricreo

CHIC NEAPOLITAN-STYLE WHITE WICKER BASKET

\$175

DESCRIPTION

A sophisticated take on the popular basket with a rope traditionally used in Naples to hoist up goods to apartments from neighbors, this design allows for practical portability of snacks, drinks, and glasses. The elegant, white upholstery lends it an exclusive appeal, while the nautical knot tied around the basket reveals the piece's nautical style, the leitmotiv of Marricreo's luxury collections inspired by marine atmospheres.
