LIGHTING : TABLE LAMPS

*VeniceM*

**CHIC TABLE LAMP**

\$5,515

## DESCRIPTION

The sophisticated allure of this light comes from its precious materials and timeless lines that make an elegant and timeless silhouette in the shape of a luminous cylinder with a dark bronze structure on top, supported by a series of trihedrons that can be crystal, amber or smoke grey colored. The result is an object that reflects and diffuses light through its crystal elements, creating unique effects on whichever table or console it is placed. Bulbs excluded. Contract and commercial certifications available upon request.
