CHINESI FIORI FINITI SET OF 6 PLATES

\$480

DESCRIPTION

This sophisticated set of six porcelain plates from the Chinesi Fiori Finiti Collection are defined by an ornate floral motif inspired by the Japanese Imari style. Hand-painted in orange-red and blue with gold detailing, the ornate flowers sit elegantly on the border of the white plate (27 Å~ cm), alternating with three orange Japanese Koi carps. A thin gold band traces the outer rim while the inner is embellished with a light blue band and a gold scrolling to add a luxurious touch to the sophisticated silhouette. Made to order, allow 4-6 weeks for completion before delivery.
