CHINOISERIE RUG

\$2,590

DESCRIPTION

A superb addition to any room in the house, this rug pays homage to the century-old Chinese weaving tradition. Expertly crafted from 100% pure wool, the design features a delicate arrangement of dainty blue and green flowers floating on a lilac background framed by a forest green border. This rug will infuse elegance and sophistication to a living room or dining room and will be best showcased with accessories in neutral palette to let all the nuances and variations of color shine.
