## CHIPPENDALE-STYLE HAND-PAINTED BRIAR SIDE TABLE

\$5,135

### DESCRIPTION

Delicate hand-painted floral motifs adorn the precious beech silhouette of this side table, impeccable reproduction of a Chippendale original dating back to 1750-1779. Linked by means of a four-form stretcher with a tiny shaped shelf, the willowy legs sustain a sinuously-shaped frame completed by a gorgeous Vavona briar top adorned with hand-painted flowers.
