CHRISTIE CHROME AND TRANSPARENT TABLE LAMP

\$3,840

DESCRIPTION

Part of the Christie collection of modern lighting fixtures, this exquisite table lamp will be a striking addition to a contemporary side table, console or even nightstand. Its minimalist structure in metal with a polished chromed finish comprises a round base with a vertical stem that supports a mouth-blown Murano transparent glass (30 cm in diameter). Functional as a source of ambient light and stunningly decorative, this lamp can be combined with the others in the same series. The metal can have different finishes, please ask the Concierge for options and details.
