## CHRISTINE BLACK ARMCHAIR

\$4,210

### DESCRIPTION

Lending a touch of tailored appeal to a living room seating ensemble, this sophisticated armchair features a contemporary update on a classic design enriched with an opulent velvet black upholstery. Sloping track arms, a boxed seat, and an ultra-plush back cushion create an inviting silhouette that will be the focus of a mid-century, modern living room or office interior. Made of solid wood with a matte black finish, the base elegantly complements this vibrant piece that will be best displayed with the other pieces of the Christine Collection for a glamorous look. Seat height is 42 cm. Contract and commercial certifications available upon request.
