Gambaro e Tagliapietra

CHRISTMAS TREE COBALT WITH GOLD LEAF

\$270

DESCRIPTION

This alluring sculpture embodies the harmony and craftsmanship of Italian Murano glass-making. Designed by maestro Matteo Tagliapietra, this exquisite Christmas tree is formed by a single piece of mouth-blown glass with gold leaf accents. The opaque, cobalt blue glass ribbon - evoking holiday garlands - beautifully contrasts with the delicate gold flecks throughout the crystal tree and spherical base. Refined and elegant, this is a perfect festive centerpiece in a living room or kitchen.
