CHRISTMAS TREE RED WITH SILVER LEAF

\$270

DESCRIPTION

Mouth-blown into a charming Christmas tree, this clear crystal Murano sculpture features delicate flecks of silver leaf in the conical body and spherical base. A solid red spiral wraps around the tree, an addition of color reminiscent of garlands on a Christmas tree. The visual contrast of the clear silver leaf glass and the red spiral adds dynamism and dimension to this elegant piece. Designed by maestro Matteo Tagliapietra, this captivating sculpture will add a festive accent to any decor.
